Doc's Hickory, a seven-year-old breeding son of Doc Bar, headlines Brink's Quarter Horse dispersal.

Brinks Quarter Horse Dispersal Offers Top Quality, Performance

Brinks Breeding Corp., headquartered in Kerrville, Texas, will disperse their quarter horse inventory on Thursday, September 11, 1980, at the Sistrerale, Texas, ranch. This Brinks name and brand have been synonymous with the search for excellence and improvement in the development of American breeds for over twelve years. After the Quarter Horse Dispersal, Brinks will continue in ranching as one of the leaders of the

Brinks First Te, by To N' Te, one of the 143 horses selling in Brink's Quarter Horse dispersal.

Brangus Breed. Brinks is owned by L. D. "Brink" Brinkman of Mountain Home, Texas and managed by Glenn L. Brinkman, of Kerrville, Texas. Brinks goal is the Quarter Horse business is to raise the best possible horse with cow sense, style and conformation. Throughout the years, Brinks has owned some of the great stallions in Quarter Horses. Famous stallions owned and used in developing Brinks Quarter Horses were Joe Uno, Mr. Spanish Lee, Steel Target, Doc's Hickory, Te N' Te, Skipa Star, The Investor, and Syntariat (TD). Joe Uno, the 1969 NCHA World Champion Cutting Horse and Show ROM, was the first top sire owned by Brinks. In his show career, he earned 141 cutting points. He is a Silver and Bronze award winner and is in the NCHA Hall of Fame. Eight daughters and one son sell on September 11th.

Shelton Ranches Quarter Horse Sale, Sept. 12-13

Kerrville, Texas—Shelton Ranches First Annual Quarter Horse Sale will be held Friday, September 12 and Saturday, September 13, 1980. Horses will be available for viewing at 7:00 a.m. both days. A horse demonstration is set for 10:00 a.m., September 12, followed by lunch at 11:00 a.m. and this sale at 1:00 p.m. A horse demonstration is set for 9:00 a.m., September 13, with a brunch set for 10:30 a.m. and the sale at 11:00 a.m.

The sale will be held at the Shelton Ranches, Comanche Trace Ranch on Hwy. 173, 3.5 miles from Kerrville, Texas. The sale will feature the get of such outstanding Quarter Horse sires as Investor, Skipa Star, Te N' Te, Wellaway, Mr. San Pappy, Leonard Milligan, Doc O Lena, Me Leo Bars, Doc's Lynx, Mr. Cadillac Jack, Dry Doc, Sir Quincy Dan, Sonny Go Lucky, Tardy Too, Okie Leo, and Blondy's Dude. For information contact Shelton Ranches, Kerrville, Texas, 512/886-8282, Barney Hinde, Trainer, Dr. Gerry Morrow, D.V.M.

Perhaps his top daughter of all time, Uno Priscilla, leads his get as Lot 2. She won the 1988 NCHA Futurity, was silver and bronze award winner, was third in the NCHA Top Ten in 1975, and was AQHA High Point Cutting Horse in the nation in 1977.

Mr. Spanish Lee, AAA, was the second top sire in the Brinks Breeding Barn. He was an AQHA Champion, a stakes winner and Arans ROM earning 48 halter and 19 working points. Mr. Spanish Lee left an indelible mark on the breed not only as a halter and performance sire, but also as a broodmare sire, with his daughters passing on conformation, correctness and symmetrical beauty. Five of his daughters sell in the Dispersal.

They immortal Doc Bar, the sire of 20 AQHA Champions and the leading sire of NCHA Futurity Winners, left his mark at Brinks through two sons—Steel Target and Doc's Hickory. Steel Target is a former Pacific Coast Champion Halter Horse, and sire of nine lots selling.

Doc's Hickory, Lot 1 in the dispersal, earned 45 AQHA points in a brief show career. He was a 1978 NCHA Futurity semifinalist and was the 1978 AQHA High Point Cutting Stallion of the nation. Doc's Hickory became Brinks leading sire of the alicies because of his ability to sire "the right kind," excelling in both conformation and working ability. This seven year old breeding stallion headlines the sale, and sells with 48 sons and daughters. His get are correct, and possess the same keen mind and tremendous athletic ability of their sire. Doc's Hickory may well go down in American Quarter Horse history as one of Doc Bar's greatest breeding sons.

Brinks supplemented their breeding program by owning breeding shares of top syndicated stallions—the late Te N' Te, Skipa Star, The Investor and Syntariat. Te N' Te, the first halter stallion to be syndicated for one million dollars, sired top lots selling, which will be the largest offering of his get for some time to come. Brinks Misty Te, a yearling filly, already has seven firsts to her credit while shown by (CONT. ON PAGE 24)

The West Texas Fair in Abilene will be featuring a Chianina Show for the first time this year. The Chianina Show will be September 7 at 8:00 p.m. during the West Texas Fair, September 6-13.

Grand champion of the Chianina National Junior Heifer Show Aug. 10, at Sedalia, Mo., was owned by Bryant Greenwell, Decatur, Ala. The March 29, 1979 American purebred heifer earned her owner an American Chianina Association \$1,000 cash award.

Chianina National Jr. Heifer Show Draws 80 Entries Aug. 10

Sedalia, Mo. — A superb group of 80 Chianina heifers competed for more than \$5,000 in premiums and awards in the Chianina National Junior Heifer Show here Aug. 10. They were shown by 58 junior members of the American Chianina Association from 12 states.

John Cobb, Silas, Mont., judge, placed two divisions of heifers. In the purebred Chianina class the grand champion was a March 28, 1979 American purebred owned by Bryant Greenwell of Decatur, Ala. who received \$1,000 cash. A Jan. 5, 1979 American purebred sired by Michaelangelo and owned by Tim Yagat, Larwill, Ind., was named reserve champion.

Nikki Overpeck, Clinton, Ind., showed the purebred calf champion; Brady Gilmore, Balloufite, Pa., the reserve calf champion; Julie Yagat had the junior champion; and Noelle Fleener, Augusta, Ill., the reserve junior champion.

Stacey Cropper of Crinnell, Iowa, showed a three-eighths Chianina x Angus to the percentage grand champion. Jeff Pilkington of Anokyn, Iowa, showed an Aug. 23, 1978 daughter of WCR Friggo 06 to the reserve grand

championship. The percentage reserve calf champion and reserve junior champion was Nikki Overpeck's heifer, Mike Bondfield of Anokyn, Iowa, had the senior champion and Darryl Klehm of Tonka, Ill., the reserve senior champion.

National Beefmaster Association recently with committeemen in Dallas with attendants from New Mexico, Oklahoma, Arkansas, Tennessee, or Texas.

According to NHA president, Dr. N. Machen, one of the first order business was to pass an estimated advertising budget. "The board felt that the Association had grown to a point we needed and could afford new exposure for the NHA," he stated.

"We are currently gathering to cards from various publications and have already placed some advertising," he said. "Another important order of business was to set the date for the 1981 Convention and Sale." The next event will be held in Greenville, Texas the second weekend in June, 1981. The board agreed to name a Sales Committee to help breeders select their cattle. "We hope to improve the offering without year's sale," Machen states.

The second Saturday in July, 1981 was chosen as the sale date for the "National Futurity Sale" and the sale of the "Futurity" will be Waxahatchie, Texas. According to Machen the sale will be limited to the top 50 head, "of course, selected animals, a truly great offering of seedstock."

In other business the board voted to require the birth, month and year of calves and also to require the certificate number of both sire and dam on the application for registration.

Officers for National Beefmaster Association are: Dr. R. N. Machen, Dallas, Tx., President; J. Lauch McCarroll, Michie, Tenn., Vice-President; Jerry Hardin, Mesquite, Tx., Treasurer; Barbara Wallis, Leonard, Tx., Secretary.

In 1917, Alice Evans, a U.S. Department of Agriculture bacteriologist, reported that cow's milk was a source of a disease called brucellosis. She soon noted the close similarity of the organism found in cow's milk with the one identified by David Bruce, in 1896, as the source of undulant fever on the Island of Malta.

Windy Acres Brangus Sale Set Sept. 19 Near Brenham

Brenham — Warren Wackman, Jr., president, and Jim Harl, manager, will host Windy Acres Brangus "Genetics for the 80's" Sale, Friday, Sept. 19, beginning at 1:30 p.m., at the ranch near Brenham. A headliner of the sale will be "Windac Perfecto," a Jan. 9, 1980 son of WSR 942 Snn 321 out of a cow sired by PW George Buy 320/2. There will also be 20 heifers selling of which at least 15 are proven show heifers or will be competitive show heifers next year. "All in all, we think you will find in this offering the best size and quality for age to sell this year," Wackman said. Special Stocker Cow, Heifer Sale Set At Llano, Sept. 6

Llano, Texas — Philip Smith and Hatch Smith have announced a September Special Stocker Cow and Heifer Sale to be held at the Llano Livestock Auction here on Saturday, Sept. 6, beginning at 12 noon. Selling will be 2,500 to 3,000 head of good, choice and fancy cows and heifers. All cows and heifers will be blood tested for Brangus and all cows pregnancy tested. Bulk of the sales will be cullstock and yearlings. All sales will be sorted for uniformity. Smith said, "We'll tell you the true owner and history of each lot." Consignments presently include 1 year old Hereford cows bred to registered Brahman bulls; Braford and Brangus bred heifers; Charolais Charolais cross heifers weighing 1,000 to 1,100 pounds; Brangus and Braford pairs, the cows three up, super gently; Hereford Santa Gertrudis cross heifers bred Angus; Hereford five year old cows bred Angus; Anglo Charolais cross, and Brahman cows; a very uniform set of Brangus heifers bred to White Brahman bulls; 150 crossbred heifers, black baldies, bay halfbreds, Brangus, and breds; and many other Brangus-type, Brangus and Brangus-whitefaced; Black Baldies and Hereford heifers; and Hereford Angus and Black Baldies bred cow and heifers. Philip Smith has been in business Llano Livestock Auction for 21 years. He said, "This is an excellent opportunity to buy good, clean replacement cattle. This again will be the greatest cow sale of the season, and there's absolutely no trailer stock." He said this sale is over-subscribed, and there will be no further consignments. For further information call the auction at 915/247-4143; Philip Smith, 915/247-5204; or Hatch Smith, 915/247-4145.

Panhandle Direct

Amarillo, Aug 22 (F-S) — Slaughter steers 50-1.00 lower, heifers fully 50 lower. Most of the week saw fairly active trading after beginning slow over the weekend. Tuesday's activity was moderate following the 2.00-4.00 lower carcass beef market. Most area feeders continue to be relatively current and are keeping fairly good inventory on hand. Fairly liberal amounts of cattle were also shipped into the area.

1/2-blood Simmental X Hereford cow with 3/4-blood Simmental calf.

Simmental crossbred cows produce more pounds of calf!

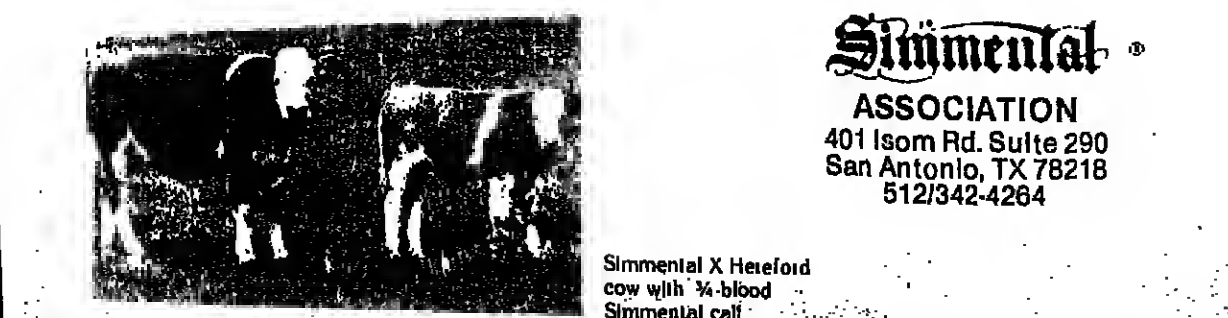

Hybrid vigor in the crossbred cow accounts for 50% of the boost in production that comes from crossbreeding. But when your cows are crossbred Simmentals, you can expect even heavier weaning weights!

Simmentals wean more pounds two ways:

1. More growth in the calf.
2. More milk in the cow.

Simmental cows offer more than crossbred vigor. Simmentals have the genetic capability for faster growth and heavier weaning weights. Crossbred Simmental cows pass these valuable growth characteristics on to their calves.

Use percentage or purebred Simmental bulls to sire your replacement heifers!

The Brown Ranch's commercial customers have had calves weighing 50 to 100 pounds more after purchasing bulls from Brown Ranch. Actual customer weaning weights have been 380, 604, 604 and 887 pounds. Hybrid replacement heifers with a 50 percent increase in milk production along with increased fertility has resulted in higher percentage calf crops due to the higher fertility and vigor of the bulls. Calves produced from Brown bulls have found top market acceptance, including turn-of-prime lambs due to the increased weight of the calves and their future growth potential as feeders.

Angus Youths Join Forces to Form National Association

July 19, 1980, has been etched in history as the date the National Junior Angus Association was established. On that date, young delegates representing 40 states elected the first national junior board of directors from a field of 31 state candidates in Wichita, Kansas.

John Kleszewski of Farmington, Ill., was elected chairman of the 12 member board. George McDonald, Hiddleton, Tenn., was chosen vice chairman and coordinator of the activities committee. Other coordinators are: Mark Wylie, Opelousas, La., achievement committee; Iral Staley, Hampton, Iowa, finance committee; Tracey Chapman, Manchester, Ga., communications committee; and Dale Rulas, Mercer, Penn., rules committee.

Working with these youths on the board are: Bruce Kroeker, Hutchinson, Kansas; Jodie Wallace, Ripley, W. Va.; Sharon Duhla, Ann Arbor, Mich.; Julie McMahon, Ft. Smith, Ark.; Angie Hunt, Milton, Ind.; and Tracy Cronc, Napa, Cal.

Angus Heifer, Skirt Auction Raises \$3,800 For Angus Auxiliary

Auction of a registered Angus heifer and an original appliqué Angus skirt raised \$3,800 to fortify the American Angus Auxiliary's college scholarship and general funds during the recent American Angus Breeders' Futurity in Louisville, Kentucky, reports Mrs. Ray Adams, Tahoka, Texas, president of the national women's group.

The heifer was R&J Isabel 908, donated by R&J Ranch, Ray and Jackie Plumb, Briggs, Texas. Carport Angus Ranch, Jackboro, Texas, bought the heifer for \$3,500, all of which will go into the Auxiliary's scholarship fund. This year, the women's group awarded scholarships totaling \$4,000 to six high school graduating seniors who are active in Angus activities and school, community and church events.

Mrs. Bob Weaver, Paola, Illinois, purchased the appliqué skirt for \$300. This money will help replenish the Auxiliary's general fund, and also will be used toward the national Angus queen expense fund.

Auction of this registered Angus heifer raised \$3,500 to fortify the American Angus Auxiliary's college scholarship fund recently at the 38th American Angus Breeders' Futurity in Louisville, Kentucky. The heifer is R&J Isabel 908, donated by R&J Ranch, Ray and Jackie Plumb, Briggs, Texas. She sold to Carport Angus Ranch, Jackboro, Texas. Pictured here, left to right, are: Tom Burke, Smithville, Missouri, chairman of the Futurity; heifer buyers Mr. and Mrs. Tom Carpenter; Mrs. Ray Adams, Tahoka, Texas, president of the American Angus Auxiliary; Mrs. Dale Wells, Dover, Oklahoma, second vice president and scholarship chairman for the national women's group; and Ken Conway, manager of R&J Ranch.

The trophy is given to the best bull and best female shown together and owned or co-owned by one exhibitor. R&J's two animals were R&J Duchess 1236, the show's grand champion female, and R&J Ike, reserve intermediate champion bull. R&J also took home the Produce of Dam award on these two calves out of Allhorn Duchess 576.

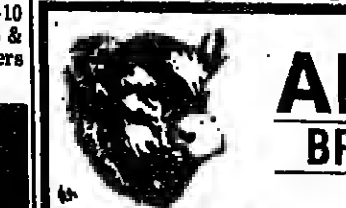

Craston Mr. America claimed reserve grand champion bull honors at the 38th American Angus Breeders' Futurity in Louisville, Kentucky. He's owned by Weaver Angus Farm, Peoria, Ill., and Mr. and Mrs. W. B. Hanley, Paso Robles, Calif. Show judge was Doug Parrett, University of Illinois, Champaign.

AVOID CHANGING WELL LEATHERS FOR MANY YEARS
Perma-cups are molded urethane, more wear resistant than nylon. Perma-cups will outlast leathers 10 to 1. Their tapered design allows only 1/8" wearing, instead of 5/8" of a leather. Much less friction for easier pumping. Perma-cups must be used in a good or new cylinder, as they do not swell. Install Urethane Perma-cups, Urethane Check-balls, and Urethane Pump Rod-guides, and don't pull that well for many years. Thousands are in wells that have not been released in 9 years! All are available in standard cylinder and pipe sizes. Write or call for our catalog. We ship same day order is received. This is our 30th year serving ranchers.

NEED A 40% RETURN!
If you are now receiving a 8% to 14% return on your investment (C.O.'s, bonds, dividends, etc.) After taxes and inflation, you are losing over 5% per year on your dollars.
In today's economy you need a good hedge investment that has been doing in excess of 25% a year. We are the oldest investment company of our kind in America—recommended by leading financial periodicals—and have been providing an investment that has been averaging better than 40% per year for the last six years. It has not gone down in value for 45 consecutive years.

Don't Damage Your Roof!

When you get moisture under the roof of the bale, it can't dry out and this spoils the hay. The Priefert Bale Buggy never touches the roof, never drops or rolls the bale. With no bale damage, there's seldom bale spoilage.

The Priefert Bale Buggy hooks to your pickup or tractor with only a simple pin hitch and trip rope. Because brakes are not required, the Bale Buggy works well in bad ground conditions. The simplicity of the Priefert bale mover will amaze you and assure you of a long, productive life for this unit.

SW Pinzgauer Jr. Jackpot Club Calf Sale Set Oct. 17

Shreveport — The Southwest Pinzgauer breeders Junior Jackpot Club Calf Sale will be held Friday, Oct. 17, at 11 a.m. at the Louisiana State Fairgrounds. The heifers in the sale will be eligible to compete for a total of \$5,000 in premium money in the Junior Show and another \$3,000 in the Open Pinzgauer Show at the Mid-Winter Livestock Expo at Shreveport in February, 1981. Trophies will go to grand and reserve champions in the shows, and ribbons to place winners.

In the Oct. 17 sale, 50 Pinzgauer heifers will sell.

Grand champion of the Junior Show will receive \$700 and reserve champion \$400. Cash awards for 12 places in each class will range from \$25 for 12th place up to \$300 for first place. In two classes, calves born in January and February, 1980, and calves born in March and April, 1980.

Animals must be registered in the name of the exhibitor with the American Pinzgauer Association. The Junior Jackpot Show is open to any person 21 years of age and under. The open show is for both juniors and adults.

For further information contact: Gary J. Arnold, show and sale chairman, Route 1, Box 126, Jefferson, Texas 75667, phone 214/665-2256.

Pinzgauer Exhibit Set for Pan-American Expo

Sherman — Skyview Pinzgauer Farm near here, owned by Dr. Melton and Susan Graham of Arlington, and managed by Dick and Janie Kellott of Sherman, and O. A. Hamm of Irving will have a Pinzgauer cattle exhibit at the Pan American Livestock Exposition at the Texas State Fair in Dallas, Oct. 8-12.

Pinzgauer Steer Feed Test Set to Begin Oct. 1 at Lubbock

Lubbock — Plans are progressing by the Southwest Pinzgauer Association and Dr. Rob Long of Texas Technical Univ. at Lubbock for a Pinzgauer steer demonstration to be held at Lubbock Feedyards beginning Oct. 1.

The steers will undergo a 140-day official feed test on a strictly commercial feeding basis after which the average daily gain, feed conversion, and weight per day of age will be calculated; then the steers will be slaughtered, graded on a carcass basis and evaluated, and the sides sold as commercial meat.

Dick Kellott, manager of Skyview Pinzgauer Farms at Sherman, said, "We are expecting to have 50 or more steers go through the test on a strictly commercial basis."

The steers should be weighing around 800 pounds when they go on the test, and delivery date is Oct. 1.

Dr. Bob Long of Texas Tech will be the test supervisor.

To consign Pinzgauer steers of any percentage to the test, or for more information, contact Dick Kellott, Rt. 4, Box 198B, Sherman, Texas 76080, phone 214/892-3488; or Susan Graham, 1115 W. Randal Mill Road, No. 702, Arlington, Texas 76012, phone 817/281-8830.

"This test should provide some interesting information on Pinzgauers and how they compare with other steers in the areas of rate of gain, feed conversion and cost of gain, grade and yield, and the bottom line — their profitability," Kellott said.

The exhibit will consist of a purebred bull, a purebred cow, and three percentage yearling heifers including one yearling heifer which was a class champion at the 1979 Mid-Winter Expo at Shreveport.

U.S. farmers are expected to plant nearly 79.5 million acres of wheat this year, according to Sperry New Holland.

PINZGAUER

... Profitable because they're practical

- ☆ GROWTHABILITY
- ☆ MOTHERING ABILITY
- ☆ CARCASS QUALITY

If you're in the Beef Business, you should consider Pinzgauer. Pinzgauers perform on the Range and in the Feedlot. The Pinzgauer female is noted for her milking ability, high fertility and Longevity.

Although still few in numbers in the United States, compared to other breeds, Pinzgauers have made their mark in feedlot tests, and shows, both on the hoof and in carcass contests. These are a few reasons why you should take a look at the PRACTICAL PINZGAUER BREED

Pinzgauers Work Well For Duncans In The Showing and Pasture

Fort Worth — Mrs. Georgia Duncan is a Pinzgauer breeder on the place she and husband, Herman H. Duncan, run near Greenville. But he's an Angus man on places near Haskell and Godley.

Being partial to the different breeds, apparently doesn't pose any problems for the otherwise retired couple. They have some Angus-Pinzgauer crosses in their herd of about 35 Pinzgauer mother cows at Greenville.

Duncan concedes that the Pinzgauers will do just about everything Angus do, and might excel in some respects.

"All we ever have to feed the Pinzgauers in some mineral and molasses blocks — they rustle for themselves for the rest of their feed," he said.

The Duncan's Pinzgauers have proven successful, both as show cattle and working cattle.

They produced Pinzgauers which have done well in county fairs in Hunt and Bains counties. They have ribbons for reserve champion bull; a first place ribbon in the open beef show; a fifth place junior beef broods ribbon; two first place open beef show ribbons and a second place junior beef broods ribbon, all from the Hunt County fair.

They have also garnered a second place in the dairy division, and a first place in the beef division at the Baines County Fair. The latter with a five-month-old bull calf that wasn't yet weaned and had only three days rope training before being shown. That was the calf judged reserve champion of all beef broods.

Georgia Duncan's pride, however, is "Glory," a seven-eighths Pinzgauer

American Pinzgauer Move to Ames is Progressing Smoothly

Marybrook, Texas — Dr. Dan Scott, owner of Dan Scott Pinzgauer Association, and president of American Pinzgauer Assn., said the transition of APGA offices from Norman, Okla., to Ames, Iowa, is going smoothly.

"Even the switch over from the small computer system we formerly used to the unlimited Boeing Computer is progressing in an orderly manner," Dr. Scott said.

He said that several volunteers helped keep up with registrations and transfers, and pedigree work "by hand" when the Norman office was closed, and that registration and transfer work is being kept current.

Change over to the Boeing computer is expected to be "on-line" (Oct. 1).

Pinzgauers Work Well For Duncans In The Showing and Pasture (CONT. FROM PAGE 21)

foot problems; being a dual-purpose breed the cows give plenty of milk to raise bloomy calves; require little attention at calving; are gentle, not fence breakers; and are highly fertile.

The Duncan's favorites are "Texas Pinzgauer," cattle bred up from East Texas native cattle of various or combinations of breeds, through use of fullblood Pinzgauers such as Alpine, Wotan and other popular Pinzgauer sires. Much of the basic breeding in the herd was Angus and some Red Poll, so that Duncan is being able to get rid of the horns by using Alpine.

Another reason Duncan believes the Pinzgauers are a success in Northeast Texas is the ready acceptance of the bulls. The Hunt Brothers ranch near Terrell has become a good customer for bulls to use on Chincoteague heifers. "They've bought Pinzgauer bull calves before they were weaned for \$700 apiece. When an unweaned bull calf will more than pay for its mother, I believe you've got cattle that will work," Duncan said.

Shorthorn Princesses Promote Breed, Duties Outlined

A Texas Shorthorn Lassie Princess must be a young lady 14 to 20 years of age who is interested in Shorthorn/Polled Shorthorns, shows Shorthorn Heifers or steers, or is a member of a family who raises Shorthorns. The representative of the Texas Shorthorn breeders must be single and remain single during the time she holds a Lassie title. She and her mother must be members or join the Texas Shorthorn Lassies, ladies auxiliary. The Lassies will sponsor four Princesses each year.

A Princess will be provided a costume to wear when representing the Lassie title. The costume is the official costume of the country where Shorthorns originated — the Scottish Kilt. The costume consists of a kilt, pair of garters, stole and badge, and kilt with attached black velvet purse. The girl will have to furnish a long sleeve white blouse, plain black knee boots, hose and short white gloves, and in cold weather a black sweater. Each girl will receive \$20.00 to help with pictures and travel expense.

The main job of a Princess is promoting the Shorthorn cattle breed in your area, or part of the state. She will be asked to wear the costume while presenting awards at shows and sales, attending banquets and breed association meetings, passing out literature from the breed booth, or when making public appearances. The princess will work with the state queen at major open Shorthorn shows and state sales. During the year, the princess will keep a scrapbook of her activities, and at the end of the year she will be able to compete with the other princesses for the queen title.

About 40 Shorthorn enthusiasts met Sunday, August 17 at the farm of Mr. & Mrs. Jack Bodwell near O'Keene, Oklahoma.

After a potluck basket dinner was served, Junior Oklahoma members met to review and amend their constitution. Jeff Bodwell serves as current Junior president; Tim Roberts of McCloud as vice-president; Deborah Stout as secretary-treasurer and John Bodwell is in charge of public relations. Serving on the Board of Directors are Jerry Bodwell, Deanna Gragert of Cheyenne, Billy Fisher, Kim Maddox of Padon, David Stout of Kremlin and Sarah Richardson of Marlow.

Kim Maddox is the new Oklahoma Shorthorn Lassie Queen. She will be formally crowned during the Shorthorn Show at Oklahoma State Fair in September. Kim is the daughter of Kenneth and Beverly Maddox of Padon. She will represent the Oklahoma Shorthorn queen title.

1980-81 Texas Shorthorn Lassie Queen Jamie McAnear of Claremore

and Freddie Eubank of Whitney, president of Texas Shorthorn Association, will be familiar persons at all Texas Shorthorn activities in the coming months.

Shorthorn Lassie Queen Crowned

Miss Jamie Louise McAnear, 17-year old daughter of Mr. and Mrs. James A. McAnear, Jr., Claremore, Texas, was crowned Texas Shorthorn Lassie Queen for 1980-81 at the conclusion of the state associations annual meeting this summer. Obe L. Lionborg, immediate past president of the organization, crowned the young lady who will serve as the official ambassador to the breeders this year. Her main responsibility is promoting Shorthorn/Polled Shorthorn cattle. She will present awards at livestock shows, field days and sales, do radio and television talks.

A NEW SUPPORT SYSTEM

JUDGE FITE LAND ASSOCIATES, Dallas based Realtors and Ac-
credited Member of the Farm and Land Institute (FLI), recognizing
a need for a comprehensive nationwide farm and land referral
system for its clients and prospects, have gone "on line" with Farm
and Land Institute/OTANET.

By access with National Computer Data Center via our in-house
terminal, FITE LAND ASSOCIATES will cooperate with FLI/
OTANET members in several hundred brokerage companies in the
U.S., Europe and the Caribbean.

If you have agricultural or development land for sale or exchange,
or you are seriously in the market to buy or sell agricultural, re-
creation land or development land, let us show you the many ways
FLI/OTANET and JUDGE FITE COMPANY professionals can put
the network's national computer to work for you structuring the sale,
purchase or exchange of your property on a totally confidential

beef. Steer beef - 9 loads including 4 to processors, 8 to packers and 2 to chain stores. FOB Omaha basis: 8 choice 3 500-900 lbs 108.00-108.00. Mostly 108.00. Mostly 2.00-4.00 lower. 1 choice 4 800-900 lbs 100.25, 2 good 2-3 800-900 lbs 102.00. Half beef - 7 loads, including 6 to processors, 1 to packers & 1 to chain store. FOB Omaha basis: 3 choice 3 500-700 lbs 102.00-104.00, mostly 103.00-104.00, steady. 1.00 low. 3 good 2-3 500-700 lbs 100.00-101.00. Mostly 100.00. Mostly 2.00 lower. FOB Amarillo basis: 1 choice 3 500-700 lbs 104.00. Cow beef not established. Cow beef - 1 load. FOB Omaha basis: 1 canner & cutter 1-2, 550 & up. 95.00 (midwest). Prime beef cuts - 1 load. FOB Omaha basis: choice 3 1 fore 130-210 lbs 92.00. Boneless processing beef/cut trimmings - 8 loads. FOB Omaha basis: 8 50% chem lean fresh 74.00, 1.00 higher. 2 50% chem lean frozen 74.50.

Due Moines, Aug. 25 (F-S) - Central U.S. based beef - fabricated beef cuts as of 3:30 P.M. Omaha basis includes major production areas in the Midwest and Texas-Oklahoma panhandle. Quotations reflect bulk sales by fabricators to retailers, jobbers, wholesalers, etc. Bored beef trades at moderate to opening week activity. Buyers hesitant to commit orders, especially in view of weakness noted for carcass beef and reportedly rather tight week-end retail movement. Round and loin items continue weak, along with chuck items with limited trade 1.00-8.00 lower. Rib items not tested in early week trade, however, late last week clearance adequate to hold price levels firm. Sales on 38 loads boxed cuts and 8 loads beef trimmings & boneless processing beef.

Des Moines, Aug. 25 (F-S) - Central U.S. carlot pork report - FOB Omaha basis (includes the major production areas in the Midwest as of 2:15 p.m. Compared to Friday's 2:15 report: fresh pork loins 14-17 lbs 50-1.00 lower, 17-20 lbs 1.00-2.00 higher. Picnics & butts untested. Fresh hams mostly 50 higher. Sals bellies 12-14 lbs 5.00-8.50 lower, 18-20 lbs 5.00-1.00 higher. Demand moderate; trade slow. Sals reported on 38 loads and 7 loads of trimmings and variety meats.

another example of these people and departments simply flyin' off in all directions to be something or another which they had little more scientific evidence than a strong rumor.
The real result of these forays into federal distillation to you and me has been to scare the daylights out of millions of consumers' diet study, acceptance of that notorious diet study, which was formulated by food faddists and vegetarians and in which serious scientific studies were ignored was evidence of the incompetence of the people involved. These hair-trigger decisions to jump at some sensational item and its efforts to force feed the United States populace with their own divine ignorance should convince the President that somebody over at USDA ought to take a one-way ticket home.
On the basis of a 3 1/2-year track record of gold' half-cocked and chasing the nation's food bill to continue to see as the producers and processors of

Cindy that scientist claim a baby's body is 60% water. Cindy, with same recent experiences, says show her that damphool scientist and she'll show you a feller that don't know a dang thing about babies. Dunk fingers Ronald Reagee may not get to be overly popular with other countries like China, Saudi Arabia, Israel, Egypt, th' Soviets, et al. If he is gonna be iron headed enough to refuse to let them bully us around or dictate our every move. For instance, today we have not stockpiled that oil in those salt domes empty because th' Saudis told us not to do it. Now Red China wants to dictate who our friends can be!
